[www.s2go.com.au](http://www.s2go.com.au)

Solutions To Go is an IT company which provides business software requirements with particular focus on workforce management solutions. vWork, a painless dispatch and scheduling application, has recently become a part of the Solutions To Go product suite, which allows real-time scheduling and job dispatching to iPhone and android phones.

**V-TOL Aerospace Pty Ltd**  
07 3275 2811  
[www.v-tol.com](http://www.v-tol.com)

V-TOL Aerospace Pty Limited (V-TOL) provides innovative, leading edge, fully integrated end-to-end mini-Unmanned Aircraft (UA) solutions. Working in partnership with our customer, the V-TOL group, also incorporating the Australian Unmanned Systems Academy (AUSA) and Unmanned Autonomous Technology Applications Research (UATAR), can deliver customised and cost-effective UA capabilities designed to deliver value while achieving the desired business outcome.

**Smartytype 88 / iSmart Software**  
07 3367 0611  
[www.ismartsoftware.com](http://www.ismartsoftware.com)

Smartytype 88 / iSmart Software  
Does your organisation run training courses for staff or external workers?  
Do you manage their registrations manually using excel, phone calls, fax and post-it notes?  
If you have answered yes to both of these questions then iRegister would be effective in gaining efficiencies by automating the process of registering attendees.

V-TOL Aerospace is an Australian leader in UA technology, flight operations and training.  
**\*AUSA is the educational and training arm of V-TOL Aerospace. See [www.ausacademy.org](http://www.ausacademy.org)**
